

EDUCATION - AN EVERLASTING GIFT

**Advent Collection 2021
for Sponsorship of Pupils
at Ikona Hillside School, Uganda,
through Kisiizi Partners**

Throughout Advent we are collecting contributions towards our sponsorship of 12 pupils at Ikona Hillside School, through a British charity called **Kisiizi Partners**.

This is a longstanding link for St Lawrence and St Swithun Churches, and in 2019 St Bartholomew's also began to sponsor one of the pupils, its previous child sponsorship having come to a natural end. The school has a strong Christian ethos and all the children are needy orphans, having lost one or both parents.

There is more information about the project in the entrance to St Lawrence Church, the Parish Magazine and on the Kisiizi Partners' website www.kisiizipartners.org.uk/

The cost of sponsorship is £250 per child each year. Four families have chosen to sponsor one child each, so **we need to collect £2000 to sponsor the other eight children for 2022**. This is a lot of money but wonderfully the necessary amount has always been donated in the past.

SO if you wish to contribute please make payments to Kisiizi Partners in one of the following ways after services or c/o the Parish Office:

- 1. By one-off payment by cash or cheque to Kisiizi Partners. Gift Aid forms are available.**
- 2. By standing order payments of £20 per month to Kisiizi Partners. Again payments can be Gift Aided.**

If you would like to take on full sponsorship of one of the children and support a specific child, or give online, or have any other query, please contact Meriel Walton at merielwalton@yahoo.co.uk

THANK YOU!
